**Archivos Argentinos de Pediatría**

Publication oficial de la Sociedad Argentina de Pediatría

**Contents**

October 2016;114(5):393-496

**Editorial (full text in e-version)**
394 The challenge of reducing medication errors in neonatal intensive care units
José M. Ceriani Cernadas

**Editorial comments (full text in e-version)**
396 Alcohol consumption in early adolescence and medical care
Silvia Cabrerizo

398 Genetic and epigenetic, the case of hypercholesterolemia
Horacio F. González

400 Considerations on infant mortality and its neonatal component
Adriana Aguilar

**Comments (full text in e-version)**
402 The power of writing in children
Paula Arighi

403 Symbols and their therapeutic role: Looking for scientific grounds
Carlos G. Musso, Paula A. Enz and Edgardo Werbin

**Original articles (full text in e-version)**
405 Evaluation of neonatal mortality in Buenos Aires City by place of residence and use of a health system subsector
Javier Meritano, Lorena Tsavoussian, Raúl Cimbarr Canella and Claudio Solana

412 Alcohol consumption in early adolescence and medical care
Tania Borrás Santiesteban

419 Relationship between genetic and environmental factors and hypercholesterolemia in children
Jorge A. Robledo and Leonardo J. Siccardi

426 Perinatal factors associated with neonatal mortality in very low birth weight infants: a multicenter study
Carlos Grandi, Agustina González, José Zubizarreta and Red Neonatal NEOCOSUR

434 Effect of abdominal muscle training on respiratory muscle strength and forced expiratory flows in sedentary, healthy adolescents
Iván Rodríguez-Núñez, Ximena Navarro, Darwin Gatica and Carlos Mantorola

441 Feeding practices, physical activity, and fitness in Spanish preschoolers. Influence of sociodemographic outcome measures
Pedro A. Latore Román, David Mora López and Felipe García Pinillos

**Brief reports (full text in e-version)**
448 Validation of the Spanish-language version of the Rapid Assessment for Adolescent Preventive Services among Colombian adolescents
Tatiana A. Suárez-Pinto, Argéndia Blanco-Gómez and Luis A. Díaz-Martínez

**Special articles**
453 Urinary levels of early kidney injury molecules in children with vitamin B12 deficiency
Ali Güneş, Fesih Aktar, İbahın Tan, Murat Söker, Ünal Uluca, Hasan Balık and Nuriye Mete

458 Epilepsy surgery in children and adolescents: Report on 43 cases
Marina Aberastury, Betina Comas, María García, Ana Besocke, Carlos Cinaolo, Guillermo Agosta and Walter Silva

464 Children and disabilities: what we call them, think and feel about them
Ricardo Berardi

468 Empathy, burnout and… professional competence. Some reflections
Carlos Vecchi

**Review (full text in e-version)**
472 Nutrients and neurodevelopment: Lipids. Update
Horacio F. González and Silvana Visentin

**Case reports**
e310-e377

**Practical pediatrics**
477 Algorithm for the management of nasal obstruction in neonates and infants
Hugo Rodríguez, Giselle Cuestas, Máximo Rodríguez D’Aquila and Juan A. Rodríguez D’Aquila

**Sociedad Argentina de Pediatría**

**Commissions, Committees and Working Groups**
485 The principle of autonomy in pediatrics under the new Civil and Commercial Code of the Nation. A communication of the Subcommittee on Clinical Ethics
Subcommittee on Clinical Ethics

489 Preschool education impact on child development
Committee on Ambulatory Pediatrics, CIREDDNA and Committee on Growth and Development, Sociedad Argentina de Pediatría Córdoba

**What is your diagnosis?**
496 New clinical presentation

**Selected papers from current literature**
e378 Abstracts and commentaries

**Archivos 75 years ago**
e384 Chronic intussusception in an infant twelve months old
José E. Rivarola and Aníbal Lemos Ibáñez

**Books**
e389

**Letters**
e390-e397
